on his newest publication:

What to Do When the Doctor Says It's Asthma

WHAT TO
DO WHEN
THE DOCTOR
SAYS IT'S

Asthma

Everything You Need to Know About
Medicines, Allergies, Food, and Exercise
to Breathe More Easily Every Day

PAUL HANNAWAY, M.D.

As many of you know, Paul Hannaway is author of two previous popular books about asthma: *The Asthma Self-Help Book* and *Asthma: An Emerging Epidemic*. He is recipient of a Medical Writers Award for his work. This current book, published by Fair Winds Press, joins a series of labels on “What to Do When the Doctor Says It’s” We will plan to make copies available at all of our practice sites.
